2. Eligibility

Directive

3. Purpose of Funding

Grants to small businesses may be provided for two purposes:

Minor capital items may also be funded where required and beneficial and where other sources of funding are unavailable.
- (b) Grants may be provided to arts and crafts producers and renewable resource harvesters, who meet eligibility requirements, for the purchase of tools and equipment to assist them in increasing their level or quality of production and income.

4. General Conditions

- (a) The meeting of eligibility criteria of this Policy, in and of itself, does not guarantee subsequent approval of financial support.
- (b) Grant applicants must:
 - (i) demonstrate need and potential benefits to be gained;
 - (ii) demonstrate a commitment to the future of the business or proposed undertaking.
- (c) Small businesses may apply more than once subject to the following:

Any payments made under this Policy or Directive are conditional on approval of funds in the Main Estimates by the Legislative Assembly, and there being sufficient unencumbered balance in the appropriate activities for the fiscal year for which the funds would be required. Grants will normally be made as a lump sum payment on approval of the application.

8. Term

This is an ongoing program.

9. Prerogative of Executive Council
