

## INTERPRETIVE BULLETIN IB-6

### Air Charters and Local Preference

This Interpretive Bulletin Number 6 is issued pursuant to the Business Incentive Policy 63.02.

#### **ISSUE:**

The Business Incentive Policy provides an NWT tender adjustment in order to maximize benefits for NWT Residents. The Business Incentive Policy provides an additional Local tender adjustment for firms undertaking GNWT contracts in their local community. However, Air Charter contracts are not undertaken in any one community. Air Charter contracts are undertaken between two or more communities. In addition, infrastructures and reduced repositioning costs for aircraft and crew already provide advantage for airlines located in the applicable community or region nearest the air charter route.

#### **THEREFORE:**

In respect to **Section 4 Definitions, Local Content** and **Section 6 Provisions (7) Local Content; (8) Application of Bid Adjustment (b)(i), (c)(ii) b.**

- The Local tender adjustment will not be applied to Air Charter contracts or other contracts consisting of majority air charter contracted services.
