Report Number: CR10C-04

Deliver To: BIP Monitoring Office
Report Title: BIPMO Report - Summary of Awards by Business Name

Report Type: OD-CR10A - Basic Contract Report
This type of report prints data about contracts issued pursuant to a procurement entered into the system. It selects base data that meets the following conditions:

- A valid procurement exists.
- At least one valid bid (including a valid Business) is on file.
- An award has been made to a valid bid.
- At least one contract has been issued to a valid bidder.

The base data for each contract and all associated amendments is summarized into a single report line. Some reports summarize further, but the unique contract number is the lowest level of detail with this type of report.

The fiscal period for contracts on this report is determined by the start date entered for the contract or any amendments. Only amounts specified on a document with a start date in the fiscal year of the report are actually reported.

Report period: Y Current year information only selected
