**I, the undersigned, hereby certify that:**

- 1) The required prospector's licence(s) is(are) valid.
- 2) I staked or caused to be staked in accordance with the applicable mining regulations the mineral claim(s) documented on Page 1, encompassing the lands described on the sketch or plan attached.
- 3) Legal posts have been placed to mark the location of the claim(s) and a number identification tag has been fastened on each corner in accordance with the applicable mining regulations.
- 4) The information indicated on Page 1 has been placed on the tag(s) or post(s).
- 5) The lines between the corner post(s) have been marked and boundary post(s) have been erected as marked as required by the applicable mining regulations.
- 6) The distances and measurements stated in this application are as accurate as could reasonably be ascertained.
- 7) At the time of staking the ground contained within the boundaries of the claim(s) was open for staking under the applicable mining regulations.
- 8) The staking is valid and the staked claim should be recorded.

**Additional Comments:**

Note: If there was/were situation(s) that prevented you from following the staking requirement(s) as outlined in the regulations, please note it here.
